1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 15-39 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The instant claims are indefinite for the following reasons:

- (a) In claim 15, line 5, "decoloring absorber" is indefinite. This is an intended function which is not supported by structure in the claim. It is not clear as to what structure applicant intends to claim.
- (b) In claim 36, line 6, "decoloring absorber" is indefinite. This is an intended function which is not supported in the claim by structure. It is not clear as to what structure applicant intends to claim.
- (c) In claim 37, line 5, "decoloring absorber" is indefinite. This is an intended function which is not supported in the claim by structure. It is not clear as to what structure applicant intends to claim.
- (d) In claim 38, line 5, "decoloring absorber" is indefinite. This is an intended function which is not supported in the claim by structure. It is not clear as to what structure applicant intends to claim.

Art Unit: 2828

(e) In claim 39, line 5, "decoloring absorber" is indefinite. This is an intended function which is not supported in the claim by structure. It is not clear as to what structure applicant intends to claim.
